

A Report on State Level Mock Drill excersised on 08th April, 2022

A State Level Mock Drill was organised by District Disaster Management Authority (DDMA) Umsning C&RD Block in Collaboration with State Disaster Management Authority (SDMA) and Balawan College, Lum Roman, Umsning on 8TH April, 2022. There were 52 participants and volunteers from the college.

The Drill began at 10:30 am with the siren signalling the earthquake of magnitude 8.7 on Richer Scale. The students remained calm and slowly came out of the classroom with hands covering their head. The Principal had instructed the teachers to do head count and to report if there is any missing person. He managed his troops of teachers and volunteers to take out students of the classroom to a safer place. There were a lot of activities in the college and the surroundings. Later the drill was concluded and the reports were collected in the podium by the BDO.
